and Intensive Care Medicine*

Call for applications for

the 6th Nordic Diploma Course in Advanced Pain Medicine

The series of courses start in Stockholm, Sweden, November 2012

The Scandinavian Society of Anaesthesiology and Intensive Care Medicine (SSAI) co-ordinates an Inter-Nordic post-specialist training programme in advanced pain medicine. The programme is limited to 30 trainees, predominantly anaesthesiologists but candidates from other specialities may be considered. The training period is 1½ - 2 years. During the training period, 5 courses each lasting 3 days will be arranged. The courses will circulate among the Nordic countries (Sweden, Finland, Denmark, Norway and Iceland). The courses will be held in English.

During the 2-years period clinical training of a minimum of 3 months should be carried out at a university based multidisciplinary pain clinic / pain centre or a multidisciplinary department of palliative medicine.

Furthermore, within the 2 years the trainee should complete a project or a written paper according to further instructions. Trainees completing the 2-year's Inter-Nordic training programme will receive a diploma in advanced pain medicine from the SSAI.

All expenses for the education (the fee for each course is DKK 6.000 (800 EUR), travel and accommodation) must be covered by the applicant's host department.

Further information and application form may be obtained from

<http://www.ssai.info/education/training-programs/pain-education.html>

or from the Secretariat.

How to apply:

Application form approved and signed by the chairman of the host clinic including

- A recommendation letter
- Your motivation and documented interest in pain medicine
- A short version curriculum vitae
- A list of all publications, and
- If possible a statement of an appointment with a minimum of 3 months stay at a university multidisciplinary pain clinic or a department of palliative medicine

should be mailed to the Secretariat no later than April 30th, 2012.
